Official Pumpkin Derby Race Rules

Youth & Adult: Follow RULES 1-7 Business Class: Follow RULES 5-7

- 1) Derby Car Racers must be made using a single, whole pumpkin. It may be hollowed out, but it must retain its overall pumpkin shape.
- 2) There must be a minimum of two independent axles inserted through the pumpkin.
- 3) Participants shall not attach pumpkins onto pre-fabricated products, such as skateboards, strollers, Tonka trucks, etc.
- 4) The total weight of the Pumpkin Derby Car Racer (including the pumpkin, decorations, wheels, etc) cannot exceed 20 pounds.
- 5) The Pumpkin Derby Racer can be no more than 21" wide including axles and wheels.
- 6) No explosives, pyrotechnics, or motors allowed.
- 7) Cheating is a no-no. Lets be honest and fair so that everyone can have fun!
